*Let's Discover the Power of the Written Word!*

Come and unleash your creativity as we travel back in time, sprint into the future, have lunch with our favorite celebrities and share our imaginative journeys in a safe, nurturing environment. Learn how to unblock writer's block and feel confident about your wonderful ideas.

The last 10 minutes of class will be dedicated to a cafe-style open forum where young writers will be encouraged (but not required) to share their work and give positive feedback to their friends.

**\*\*Please note: Students' work will be edited if requested since some students have advanced to the intermediate level.**
