

NDE MATH CLUB NEWS

Happy Chinese New Year to all and a big cheer to the Notre Dame Math Club.

Congratulation to the Notre Dame A team who were **Marcus N, Nick S. and Safa T.** They tied the 7th place out of 42 teams in the 2010 Serra High School Jr. High Math Competition. **Congratulation** to **Marcus N** who got the 4th place in the individual Math Olympiad Competition.

The NDE Math Club students participated in two math competitions in February. The first was the MathCounts Contest in Palo Alto on Feb. 6. Five students represented Notre Dame Elementary in the contest. They were: **Marcus N, Ryan N, Matthew N, Adam L, and Alex Z.** The second was the Serra High Jr. Math Contest on Feb. 20. Four students participated in the contest and they were **Nick S, Marcus N, Safa T, and Alex Z.** These students sacrificed their free time on Saturdays and worked hard to challenge themselves. As a parent and their coach, I am so proud of them. I am certain that their effort and sacrifice will pay off. Please encourage your student to participate in contests whether math or science because students learn a lot from competition.

The national Mathleague is going to sponsor a Junior High Students Math Contest on March 6, 2010 at Stanford University. Students who are interested in participating, please let me or your teacher know to sign up.

To learn more about the NDE Math Club, please visit our school website under "Club Activities" and/or check out the Math Club bulletin board in school. Our Math Club contact is: neaellen@pacbell.net. Thank you.
